Company Information

Alpha Paints Ltd is a UK-based company that specialises in the production of high-performance body fillers, such as their Swift Lightweight Universal Body Filler. Their products are designed for professional use and are known for their easy shaping and sanding qualities, making them ideal for large repairs and surface imperfections. The company prides itself on delivering high-grade, professional-standard results and has received positive feedback from customers.

Company Financials

In it's latest financial year, ALPHA PAINTS LIMITED has increased turnover by 19% to £427,294. In the most recent filed accounts, ALPHA PAINTS LIMITED reported a strong balance sheet, with a reported net worth of £22,487.

Funding Rationale

The loan is intended for the expansion of Alpha Paints warehouse facilities and the restocking of paint inventory. Expanding the warehouse will enhance storage capacity, allowing the company to manage increased production demands and improve operational efficiency. Restocking paint inventory will ensure the company can meet growing customer demand, thereby supporting continued revenue growth and maintaining its competitive edge in the market.
