Report of the Directors **for the Year Ended 30 March 2024**

The Directors present their report and the unaudited Financial Statements (the "Financial Statements") of Peach Loves Digital Ltd (the "Company") for the year ended 30th March 2023.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of Technology, IT, advertising and marketing, and security services.

REVIEW OF BUSINESS

I am pleased to present to you the Director's report for Peach Loves Digital, summarising our financial position and highlighting our significant achievements over the past 12 months. Our focus on research and development in Digital services, AI, and machine learning has led to groundbreaking innovations in website development and integrated marketing services. This report provides an overview of our investments, progress, and the value generated by our recent developments.

1. Investment in Research and Development

Over the past 12 months, Peach Loves Digital has dedicated substantial resources and money to invest in the development of new technology that leverages AI and machine learning. These investments have enabled us to create state-of-the-art solutions for our customers in website development and integrated marketing services, Artificial Intelligence solutions and enhancements with our security offering as a result of our strategic acquisition of Security Southampton Limited. In our previous financial year there was a need to reduce our marketing a sales effort to locate resources for our research and development efforts. We are now ready to start sales activities and will be releasing phase one of our investment in Research and Development in 2023. However we have now initiated sales and have hired a Sales Director, as a result we have experienced rapid growth across the the final two months of the financial year.

2. Predictive Marketing Technology

Our cutting-edge technology allows customers to predict their marketing results before initiating marketing activities, our technology enables customers and Peach Loves Digital to communicate and book services directly within the Peach Loves Digital environment enabling a closed network that generates value data insights. By using AI and machine learning algorithms, we have been able to collect and analyse mass data in various vertical markets, continually improving our predictive capabilities month on month is now complete and in market.

Peach Loves Digital Limited

Report of the Directors - continued **for the Year Ended 30 March 2024**

3. Intellectual Property Ownership

Our extensive investment period in research and development has resulted in the generation of valuable intellectual property. This includes patents, copyrights, and trade secrets that protect our unique technology and position as a disturber and future leader within the Agency, Tech Agency, Digital Tech SAAS, Digital Web Hosting industries. However, due to accounting standards, the value of this intellectual property cannot be directly reflected in our financial accounts. Despite this, we believe that the competitive advantage provided by our IP is invaluable to the company's future success.

4. Financial Position

We have now exited our investment in technology stage and have as of Feb 24 been actively selling our technologies and services and have instantly seen very positive results.

5. Future Outlook

As a company we now enter our fourth financial year in a strong position to start our scaling phase, we have onboarded an experienced sales director and are growing our sales team. We are experiencing consistent traction within our 36 month term contract sales along with ever increasing sales sold via term based contracts and lease based payments. We enter our fourth financial year in a strong position for growth. EVENTS SINCE THE END OF THE YEAR
Information relating to events since the end of the year is given in the notes to the financial statements.

DIRECTORS

MR N A James has held office during the whole of the period from 31 March 2022 to the date of this report. Other changes in directors holding office are as follows:

Mr A Gashi - appointed 23 February 2023

Mr S Spacagna - appointed 23 May 2023

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Peach Loves Digital Limited

Report of the Directors - continued **for the Year Ended 30 March 2024**

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

MR N A James - Director

Notes to the Financial Statements **for the Year Ended 30 March 2024**

1 STATUTORY INFORMATION

Peach Loves Digital Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2 ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Turnover represents the amount derived from ordinary activities, stated after discounts, value added tax and any other sales taxes, where applicable.

Turnover is the value of work performed during the year with respect to services.

Tangible fixed assets

Items of property, plant and equipment are stated at cost of acquisition less accumulated depreciation.

Computer Equipment - 3 year on straight line method

Office Equipment - 3 year on straight line method

Motor Vehicles - 25% on straight line method

The gain or loss arising from the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset and is credited or charged to profit or loss.

2 ACCOUNTING POLICIES - continued

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and subsequently measured at amortised cost using the effective interest method. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including trade and other creditors are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. A current tax asset is recognised in respect of a tax loss that can be carried back to recover tax paid in a previous period.

Deferred tax is recognised in respect of all timing differences between the recognition of income and expenses in the Financial Statements and their inclusion in tax assessments.

Peach Loves Digital Limited

Notes to the Financial Statements - continued **for the Year Ended 30 March 2024**

2 ACCOUNTING POLICIES - continued

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference, except for revalued land and investment property where the tax rate that applies to the sale of the asset is used.

Current and deferred tax assets and liabilities are not discounted.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease .

Pension costs and other post retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Going concern

The directors note that the company is trading adequately and has sufficiently working capital and other finance available to continue trading for a period of not less than 12 months from the date of signing these financial statements. There are no significant uncertainties in their assessment of whether the business is a going concern and therefore have prepared the accounts on a going concern basis.
