3. COURT HAVING CONTROL OF ADMINISTRATION PROCEEDINGS AND JOINT ADMINISTRATORS' APPOINTMENT

- 3.1 The High Court of Justice, Chancery Division, Leeds District Registry is the Court seized of the Administration proceedings. The Court reference number is 3370 of 2009.
- 3.2 On 15 December 2009 Peerless Plastics & Coatings Limited ("the Company") of 16-20 Howlett Way, Thetford, Norfolk, IP4 1HZ filed a Notice of Appointment of Administrators pursuant to paragraphs 22 and 29 of Schedule B1 to the Insolvency Act 1986. Christopher Michael White and Gareth David Rusling of The P&A Partnership, 93 Queen Street, Sheffield S1 1WF were appointed Joint Administrators of the Company.
- 3.3 Christopher Michael White and Gareth David Rusling are Insolvency Practitioners licensed by the Insolvency Practitioners Association of Valiant House, 4-10 Heneage Lane, London EC3A 5DQ.
- 3.4 In accordance with Paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 both of the Joint Administrators may exercise any or all of the functions of the Joint Administrators jointly or alone.
- 3.5 It is considered that the EC Regulation on insolvency proceedings will apply and that these proceedings will be the main proceedings as defined in Article 3 of the EC Regulation.
- 3.6 The Joint Administrators of the Company must perform their functions with the purpose of achieving one of the following objectives: -
 - firstly, rescuing the Company as a going concern;
 - secondly, achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in Administration); or

- thirdly, realising property in order to make a distribution to one or more secured or preferential creditors.
- 3.7 Due to the nature of the business and the extent of the Company's insolvent position it was not possible to achieve the first objective of rescuing the Company as a going concern.
- 3.8 In accordance with Paragraph 52 of Schedule B1 to The Insolvency Act 1986 the Joint Administrators state that there is no possibility of a distribution to unsecured creditors other than under the Prescribed Part.
- 3.9 The purpose of the Administration in these circumstances is to facilitate a distribution to the Company's secured creditor, HSBC Bank Plc.

4. CIRCUMSTANCES SURROUNDING THE APPOINTMENT OF THE JOINT ADMINISTRATORS

- 4.1 The information provided in paragraphs 4.2 to 4.15 is based upon the Company records and explanations given by the Directors, the accuracy of which the Administrators are unable to vouch for. The Joint Administrators cannot therefore be held personally liable for errors or misstatement of fact contained therein.
- 4.2 The business commenced trading in 1989 as a manufacturer of plastic coatings products.
- 4.3 The business established itself as Europe's largest applicator of UV cured, clear and anti reflective, abrasion and chemical resistant plastic coatings.
- 4.4 The Company was incorporated in February 2005 to acquire the business and its assets through a management buyout.
- 4.5 The Company traded from a purpose built leasehold facility in Thetford, Norfolk. The plant was developed in the late 1990's and consists of two coatings lines in clean room conditions together with a spraying unit.
- 4.6 Initially, the Company traded at a loss whilst its director restructured the business and negotiated payment plans with a number of creditors.
- 4.7 The Company subsequently secured a lucrative contract with Anovo for the refurbishment of Sky set top boxes.
- 4.8 The Company traded profitably for approximately two years and met the obligations of its payment plans in full.
- 4.9 In May 2009, Anovo terminated its contract with the Company with just one weeks notice. This contract represented over half of the Company's turnover.
- 4.10 In addition, another of the Company's main customers was placed into liquidation leaving the Company with a bad debt in the sum of £13,500.

- 4.11 The downturn in turnover had a negative effect on the Company's cashflow resulting in repayments to the Company's creditors not being made. In particular, the Company had defaulted on its time to pay agreement with HM Revenue & Customs.
- 4.12 The Company received numerous letters from creditors, including HM Revenue & Customs, threatening to commence winding up proceedings. One creditor obtained a walking possession order against the Company.
- 4.13 In addition, the Company's utility providers were threatening disconnection which would have prevented the Company from continuing to trade.
- 4.14 One of the production lines was not operational and required repairs which the Company could not afford.
- 4.15 Consequently, the Company's director sought independent financial advice from The P&A Partnership.

5. STATEMENT OF AFFAIRS

- 5.1 The directors have not provided the Joint Administrators with a Statement of Affairs. However, they have provided financial information that has enabled an estimated Statement of Affairs to be prepared by the Joint Administrators. This is appended hereto at Appendix A.
- 5.2 The Enterprise Act 2002 brought into force provisions for a fund, called the Prescribed Part, to be set aside for distribution to the unsecured creditors funds from the net realisations of assets subject to a floating charge contained in a debenture. The floating charge was created on 28 July 2005 and, as this charge was created after the implementation of The Enterprise Act 2002, the above provisions will apply. The Prescribed Part of £15,785 has been estimated based on a Net Property estimate of £63,925. The Net Property estimate and consequently the Prescribed Part estimate is subject to fluctuation given the potential variances as a result of actual realisations and costs of realisation compared to the current estimates. The Joint Administrators give no guarantee whatsoever concerning the eventual quantum of the Prescribed Part.
- 5.3 The Joint Administrators do not intend to apply to the court under section 176A(5) of the Insolvency Act 1986.

6. EVENTS SUBSEQUENT TO THE APPOINTMENT OF THE JOINT ADMINISTRATORS

- 6.1 Following the appointment of the Joint Administrators, a review of the Company's business was conducted.
- 6.2 Prior to our appointment Charterfields Limited ("Charterfields") were instructed to value the business and its assets.
- 6.3 Charterfields were advised that PPC Plastics & Coatings Limited ("PPC") were interested in acquiring the business and assets (excluding the Company's book debts) of the Company for the sum of £60,000.

- 6.4 The Company's director and shareholder, James Terry Grint, is a minority shareholder of PPC.
- 6.5 Charterfields advised that the Company's principal customers were members of the automotive trade which have specific procedures for dealing with suppliers that enter into insolvency proceedings. In view of supply chain requirements, customers would have terminated all relationships with an insolvent supplier and withheld any payments due.
- 6.6 Subjecting the business to a marketing regime would therefore have resulted in the Company's main customers seeking the provision of plastic coating services elsewhere. In addition, this would have affected the Joint Administrators' ability to collect the Company's book debts.
- 6.7 Charterfields also advised that the contingent liabilities that would be acquired by a purchaser in respect of the Company's nineteen employees would be in the region of £62,000. It was therefore unlikely that an equivalent offer would be received from a third party.
- 6.8 As the business was in severe financial difficulties and did not have the necessary funding to continue to trade, Charterfields advised that it was therefore imperative that a sale was concluded as soon as possible to avoid the potential collapse of the business.
- 6.9 Shortly prior to their appointment, the Joint Administrators were contacted by a third party interested in acquiring the business and its assets. Charterfields provided the interested party with all available information however, a formal offer was not forthcoming. Charterfields advised that, given the severity of the Company's financial position, it was not appropriate to allow the third party any further time to submit an offer.
- 6.10 As the offer received from PPC exceeded the potential break-up value of the assets upon Charterfields' advice a sale was concluded upon the Joint Administrators' appointment.
- 6.11 A breakdown of the sale agreement is shown below:

	£
Equipment	500
Stock	3,000
Lease	1
Goodwill	5,000
Business IP	5,000
Plant & Machinery	46,000
Work In Progress	499
	<u>60,000</u>

- 6.12 Pursuant to Statement of Insolvency Practice 16 (SIP16), full details of the transaction were disclosed with the initial notice of the Joint Administrators' appointment which was circularised to creditors on 22 December 2009.
- 6.13 As part of the sale agreement £30,000 was paid upon completion. The remaining balance is to be paid in three equal monthly instalments commencing on 7 January 2009. The Joint Administrators have received a cheque in respect of the first instalment and are currently awaiting confirmation that these funds have cleared.

- 6.14 As part of the sale agreement the Company's nineteen employees were transferred to the purchasing company thereby mitigating preferential creditor claims.
- 6.15 As discussed at paragraph 4.12, one of the Company's creditors had obtained a walking possession order in respect of one of the production lines. Upon the completion of the sale, £2,500 was paid to this creditor in full and final settlement of their distraint.
- 6.16 Upon our appointment the Company traded from leasehold premises at 16-20 Howlett Way, Thetford, Norfolk, IP4 1HZ. In addition to the sale agreement the Joint Administrators granted PPC an assignment of the Company's lease.
- 6.17 The Company's book debts were factored with Venture Finance Plc ("Venture"). Upon the Joint Administrators' appointment, the Company's ledger totalled £108,083 with £72,541 due to Venture.
- 6.18 Book debt realisations to date total £56,785.
- 6.19 In the interests of prudence, a 25% provision has been applied to the remaining ledger leaving anticipated further realisations in the sum of £38,474. We therefore anticipate a surplus in the sum of £16,147.
- 6.20 Shown below is a summary of the Joint Administrators' Receipts and Payments covering the period between 15 December 2009 and 18 January 2010.

7. JOINT ADMINISTRATORS' PROPOSALS TO ACHIEVE THE PURPOSE OF THE ADMINISTRATION

7.1 The Joint Administrators make the following proposals for achieving the purpose set out in Paragraph 3 of Schedule B1 to the Insolvency Act 1986:

- 7.1.1 to realise the property in order to make a distribution to one or more secured or preferential creditors.
- 7.1.2 in addition, they do all other things and generally exercise all their powers as Joint Administrators as they in their discretion consider desirable to protect and preserve the assets of the Company or maximise their realisations.
- 7.1.3 a creditors' committee be established;
- 7.1.4 the remuneration of the Joint Administrators shall be fixed by reference to the time properly given by the Joint Administrators and their staff in attending to matters arising in the Administration to be determined by the rates applied by the firm of The P&A Partnership for work of this nature from time to time;
- 7.1.5 the Administrators will be authorised to pay the costs (fees and expenses of the Appointor in connection with the appointment of the Administrators and any other person in giving notice of intention to appoint Administrators, in accordance with the order of priority scheduled in Rule 2.67 of the Insolvency Rules 1986, as amended by the Enterprise Act 2002.
- 7.1.6 the Joint Administrators may seek an extension of the Administration period if necessary;
- 7.1.7 the Joint Administrators may from time to time draw fees on account of their remuneration based on the method of calculation set out above;
- 7.1.8 the Joint Administrators are to be reimbursed for any expenses or necessary disbursements properly charged or incurred in the course of carrying out their duties in this matter. These expenses include category one disbursements of legal and agents' fees and redirection of mail and category two disbursements including mileage at "AA" rate, meeting room hire, photocopying, stationery, postage, storage of the Company's books and records on a commercial basis within the Joint Administrators' storage facility and any other costs appertaining to the conduct of this Administration. Such expenses or disbursements are to be paid from the assets of the Company; and
- 7.1.9 upon completion of the proposals at 7.1.1 and 7.1.2 above and achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up and upon the settlement of the Administration expenses and liabilities, the Joint Administrators propose that they file the requisite notice pursuant

to Paragraph 83 of Schedule B1 to the Insolvency Act 1986 to ensure that the Company is placed into Creditors Voluntary Liquidation so as to facilitate any distribution to the creditors of the Company. It is further proposed that Christopher Michael White and Gareth David Rusling be appointed as Joint Liquidators of the Company. Creditors should however note that in accordance with Paragraph 83(7) of Schedule B1 to the Insolvency Act 1986 and Rule 2.117(3) of the Rules, they may nominate a different person as the proposed Liquidator, provided that the nomination is made after receipt of these proposals and before the proposals are approved;

7.1.10 or, if the Joint Administrators at any time conclude that the Company's property is insufficient to permit any or further distributions to its creditors, then the Joint Administrators will seek the dissolution of the Company pursuant to paragraph 84(1) of Schedule B1;

7.2 The Company's affairs will continue to be managed by the Joint Administrators and their agents and such management will be financed from the realisation of the Company's assets within the Administration.

7.3 Upon the Company either proceeding into Creditors Voluntary Liquidation or dissolution as set out above, the Joint Administrators' discharge from liability, pursuant to paragraph 98 of Schedule B1 shall take effect either upon the passing of the resolution winding up the Company or upon the dissolution of the Company as appropriate.

8. FUTURE REPORTING

The Joint Administrators are required to provide a progress report within one month of the expiry of the first six months of the Administration.

Introduction to Lending Sources

The P&A Partnership may make referrals to P&A Lender Services Ltd ('PALS') being an associated company. PALS and its authorised representatives are not authorised under the Financial Services and Markets Act 2000 or by the Financial Services Authority to provide specific investment advice but they may be able to introduce funding seeking parties ('FSP's') to one or more reputable lending services ('Lender').

In such circumstances where any party associated with the referral is subsequently subject to any formal insolvency procedure and the Partners of The P&A Partnership are appointed office holders in relation to any formal insolvency, then any arrangement fees or commissions or payments becoming due to PALS (if any) from any Lender in respect of the acquisition or future trading of the business and assets of the insolvent party, will be paid into the realisation fund in the formal insolvency for the benefit of creditors.
